## How to be Tested

- Have all Techniques signed off on requirement sheet (stay after class to get this done).
- Must be a current USJA member
- Meet the minimum Time-in-Grade requirement
- Meet the minimum Age requirement
- Meet the minimum Attendance requirement
- Meet the minimum Point requirement
- Know when the next testing is available (normally the last class of the month, ask a sensei)
- Be tested by Sensei, let one know a week before that you wish to be tested and to make sure all requirements are met. Seniors (17 years and older) must test on two degrees per color degree, see Senior Requirement page.
- After testing you are NOT allowed to ask if you passed, if you do you will not be passed. Only once promotions have been handed out you may ask if you were missed or if you need to be tested again
- Always test if you meet these requirements, even if you tested last month and still have not received your promotion, unless a sensei asks you not to retest.
